## Privacy Policy and Consent Form

We are very serious about your privacy and are committed to handling your information in accordance with the Privacy Act 1988 (Cth) and in particular the Australian Privacy Principles. The law gives you certain privacy rights in relation to information that you give to this medical practice. We need your consent to collect personal information about you. The fact that you have come here implies that you consent to us knowing about your health situation either for a particular event or for your general medical care. This form explains what your rights are over the use we make of the information and how we may disclose it to other medical service providers.

This privacy policy clearly explains how we handle health information and is available on request. You can also access this policy on our website [www.colorectalsa.com.au](http://www.colorectalsa.com.au).

The information we may ask you to give us is very personal. But not having it will restrict our capacity to provide you with a standard of medical care that you expect.

Please carefully read the following information about privacy issues then sign this form where indicated over the page. It will go on your file and you may examine it or change it at any time.

### Collection & Disclosure

The main reason we collect information from you is so we can assess, diagnose and treat your illness properly and be pro-active in your health care. We will collect your health information directly from you but we may also collect information about you from a third party, for example from other health service providers, a family member or legal guardian. We will also use the information you provide in the following ways:

- Administration of this medical practice
- Billing including compliance with Medicare and Health Insurance requirements
- Disclosure to others involved in your healthcare, including doctors and specialists outside this practice who may become involved in treating you. This may occur through referral to other doctors, or for medical tests and in the reports or results returned to us following the referrals. If necessary, we will discuss this with you.

- Disclosure to others for medical indemnity purposes if necessary.
- Disclosure to other doctors attached to the practice for the purpose of patient care and teaching. Please let us know if you do not want your records accessed for these purposes, and we will put a note on your record accordingly.
- Disclosure for research and quality assurance activities to improve individual and community health care and practice management. This practice participates in ongoing audit of activity outcomes particularly in relation to Colorectal Cancer & we participate in the Bi-National Colorectal Cancer Audit (BCCA – refer to website). All identifying information is removed from personal health information prior to being used for these purposes.
- Digital images may be used to record your condition and treatment and in a de-identified form for teaching purposes.

### Data Quality & Security

We will endeavor to ensure that all personal information we collect, use or disclose is accurate, complete and up-to date. If your details change or you believe our records are not up to date and/or accurate please contact us.

### Access

You have a right to have access to the health information that we hold in your health record. We will grant access unless the Privacy Act 1988 (Cth) or other relevant law allows us or requires us to refuse such access. We may charge a fee to recover reasonable costs associated with supplying information to you. If you would like to access your personal information please contact us on 82329115 or [admin@colorectalsa.com.au](mailto:admin@colorectalsa.com.au).

### Use of Identifiers

We will only use your Medicare number for the purpose of billing for medical services provided. Similarly we would not use or disclose any other government identifying number which you may have given us for any other purposes.

### Anonymity

Where lawful and practicable, you have the option of using health services without identifying yourself.

### Trans border Data Flows

Your information will not be transferred outside Australia unless that country has a similar privacy regime or only with your consent.

### Complaints

If you have any concerns about the way we have handled your personal information then please contact our practice manager. We prefer that your complaint is in writing. It is our intention to resolve any complaint fairly and as quickly as possible. If you are unhappy with the response provided by us, you may refer your complaint to the Office of the Australian Privacy Commissioner.

### PATIENT'S ACKNOWLEDGEMENT:

I have read this form and understand why collecting information about me is necessary. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obliged to provide any information requested of me. I also understand that failure to provide this medical practice with all the information it needs may restrict the practice's ability to provide the quality of health care and treatment that I want.

I am aware that I have the right to access the information collected about me, except in circumstances where access might legitimately be withheld. I understand I will be given explanation in these circumstances.

I understand that if my information is to be used for any other purpose other than set out above; my further consent will be obtained.

I consent to the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure about which I notify this practice now or at any future time.

I acknowledge that I have read this form before signing it and that a member of staff of this practice at my request clarified any aspects of it that I did not first understand.
